It is the intention of Kidsize OOSC to promote and protect the health and wellbeing of its children, employees and parents. It is recognised that smoking is bad for health and unpleasant to many users of buildings and services. We believe that those working with children are in a unique position to act as positive role models and have a responsibility to send out consistent messages about hazards of smoking. This also applies to alcohol and drug abuse. Kidsize Club operates a zero tolerance policy towards smoking, drugs and alcohol. This policy applies to all employees, parents, and other users and visitors.
